Standing Firm Together

Philippians 4:1-3

Tim East

The tongue is likely the problem

"In this way stand firm in the Lord" (v1)

How will harmony be restored? (v3)

The Philippians were shaken

Not by talking to others

They can't stand firm if they aren't standing together

Not alone but together

Christ is our example

Not by dividing

Conflict is not the way (v2)

The Bible provides believers a better way

Two members are dividing the church
