

**Luke 4:22-30** (p. 860)

"I Like Jesus, but..."

Why do people reject Jesus?...

**I. He's too familiar** (22, 24)

**II. He won't give us proofs** (23)

**III. He goes for the wrong people** (24-27)

(1 Kings 17:8-24; 2 Kings 5:1-19)

**Take it Home:**

- Are there any ways that I let my own familiarity with Jesus to cloud my view of His mission? How do I try to impose my own expectations on Him rather than submitting to His agenda for me?
- How can I develop a greater compassion for the lost and needy throughout the world?

**Children's Corner:**

2. Jesus gives examples of two people from the Old Testament God helped miraculously. What are two things they had in common?
